# Haiti needs your help

First Choice Home Health & Hospice is working with Globus Relief to provide disposable medical supplies to Haiti. Globus Relief is a non-profit organization that partners to provide life saving medical and healthcare to people in need.

Globus has already provided goods that were needed immediately in Haiti and currently has a team in Haiti working on assessing long-term needs for rebuilding the healthcare system. The Globus Relief's core competency is gathering, packaging, and delivering appropriate medical equipment and supplies that be will needed for the rebuild.

A Globus Truck will be available for donations **Friday, February 12th from 9:00AM to 3:00 PM**  
at **5296 Commerce Dr Murray** (just east off the 53rd South exit)  
& **1371 E 1250 S Orem** (corner of Geneva Rd & University Pkwy).

If this is not convenient, please contact First Choice and we will arrange to pickup the supplies beforehand.

## Supplies most needed:

- |                                |                              |                                |                             |
